### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Regarding claims 1, 8 and 14, the prior art does not teach or suggest "a first surgical instrument guide *disposed* on the finger portion" and "a second surgical instrument guide *disposed* on the second finger portion" (emphasis added). In particular, the examiner agrees with applicant's comments filed 08/20/04 that the instrument guides (110 and 112) serve the advantageous purpose of being removeably fastened to the fingers so that variously dimensioned instrument guides can be attached to the fingers (see page 2, 5<sup>th</sup> paragraph and page 3, 4<sup>th</sup> full paragraph).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
